

Kimberly Krohn-

Entertainment for Seniors

I have been entertaining professionally since 1983, throughout the US, Europe and the Caribbean. I have been playing in nursing homes, retirement communities, assisted living facilities and Alzheimer's care centers in the Tidewater area of Virginia and Austin, Texas for the last eight years and have found the most appreciative audiences ever! I do a one hour show consisting of music of all styles and eras, as well as sing-a-longs and requests. Shows can be tailored to any theme you wish; patriotic, holidays, birthdays, Mardi Gras, 50's, etc.

I will be happy to provide references!
